

In the event of Flanchford Bridge being closed, we suggest these alternative routes to school:

From the south and east:

- Use the A217 and take the turning at Sidlow, just south of the River Mole, signposted to Leigh and Norwood Hill. This lane is called Ironsbottom.
- After about 1 mile turn right onto Dean Oak Lane, signposted to Leigh
- At the T-junction turn right onto Smalls Hill Road
- Follow this into Leigh. In Leigh turn right onto Church Road (between the church and the Plough Pub)
- At the T-junction turn right onto Flanchford Road

From the north:

- Use the A25 and follow signs into Brockham
- There are several routes from here, we suggest going via Middle Street, Bunce Common Road and then Flanchford Road (see map).
